Zürich, Switzerland

PROFILE

Alongside design, I enjoy experimenting with digital tools. I am passionate about art and history, especially personal, oral histories. I like to bring two of my favourite passions, filmmaking and exhibition design, into architecture, to show how spaces are experienced, remembered and shared.

SKILLS

- Archicad, Rhino
- InDesign, Photoshop, Illustrator, Lightroom
- Grasshopper, PrusaSlicer
- Python, Blender, Unity, ComfyUI
- Microsoft Office Suite

LANGUAGES

- Romanian (Mother Tongue)
- German (TestDaF-Niveau 4 + language of study)
- English (CAE-C2)

EDUCATION

2023-present ETH Zürich - BSc Architecture
Zürich, Switzerland

2019-2023 "Andrei Șaguna" National College
Brașov, Romania

WORK EXPERIENCE

Aug 2026 - present Teaching Assistant, Digital Theory and Culture
Digital Building Technologies, ETH Zürich
Supporting students and grading submissions. The course focuses on Rhino, Grasshopper, Python, Blender, 3D printing and ComfyUI.

Feb 2026 - present Printing Services Assistant
ETH Zürich
Supporting the print and plot service.

Sep 2025 - Jan 2026 Teaching Assistant, Digitales Entwerfen I
Gramazio Kohler Research, ETH Zürich
Taught Rhino and Grasshopper to the first generation of Studio Foundation.

ACTIVITIES

Oct 2026 Exhibition "Latent Spaces: Dreamcore", *SiloSilo Zürich*
Assisted Tiziano Derme with curation and installation; exhibited my game "Somnia".

Feb 2026 - Aug 2026 Graphic Design Commission, ARCHITEKTURA
Member of the graphic design commission of the architecture student association at ETH Zurich. Designed event posters and helped with promotion.

Jun 2025 - Jan 2026 Social Media Team "HouseEurope!"
Managed the digital presence of the European Citizens' Initiative in Romania. Used social media storytelling to inform the public about sustainable housing, build the community and support the signature campaign.

Nov - Dec 2025 Polling Station Volunteer, Romanian Presidential Election
Organised polling stations and counted votes in Switzerland.

SPECIALIZED COURSES

Mar 2026 "Filming Space"
Documentary filmmaking at a convent; responsible for camera and production in the Oral History group. The films are part of the exhibition "Out of Service?" at ZAZ Bellerive (Sep 2026 – Feb 2027).

Mar 2025 "Virtual Acoustic Ecologies"
Architectural acoustics through experimental game design: basic skills in Unity, 3D scanning and acoustic simulation.

Oct 2023 "Hybrid Modelling"
Deepened digital modelling skills and produced my first 3D print.

2021-2023 Preparatory Course for Architecture Studies
Two years, 8 hours per week: hand drawings of still life and
